

CMA (AAMA)[®]

SETS THE BAR FOR EXCELLENCE IN MEDICAL ASSISTING

College-level medical assisting education

- ✓ Programmatically accredited
- ✓ Standardized competencies
- ✓ 160-plus hours in an outpatient externship setting

Physician-quality exam standards

The CMA (AAMA) Exam is the only medical assisting exam that uses the **National Board of Medical Examiners** to construct and administer the exam. The NBME is responsible for many national examinations for physicians, including the United States Medical Licensing Examination (USMLE).

Rigorous standards

- ✓ Test development
- ✓ Item writing
- ✓ Exam security

Nationally and globally accredited

NCCA (National Commission for Certifying Agencies)

The CMA (AAMA) Certification Program is accredited by the National Commission for Certifying Agencies.

IAS (International Accreditation Service)

The Certifying Board of the AAMA is the only medical assisting certification body that has been accredited under ISO 17024 International Standard.
