

Reciprocity of Continuing Education Unit Credit Between AAMA and NAHUC

AAMA Annual Conference: NAHUC approved credit

The Education Board of the National Association of Health Unit Coordinators Inc. (NAHUC) has approved select sessions that are eligible for NAHUC contact hours during the AAMA 61st Annual Conference on October 6–9, 2017, in Cincinnati, Ohio.

NAHUC Annual Education Conference: AAMA approved credit

The Continuing Education Board of the American Association of Medical Assistants (AAMA) has approved select sessions that are eligible for AAMA CEUs during NAHUC's 36th Annual Education Conference on August 2–4, 2017, in Irving, Texas.

For more information about the conferences, you may visit
<http://www.aama-ntl.org/> and www.nahuc.org.

NAHUC Annual Education Conference

The following programs have been granted prior approval by the American Association of Medical Assistants (AAMA) for 1.5 continuing education units (CEUs) each, in the general category.

- Breaking Barriers: Who Do You Think You Are
- Listening & Communicating for the HUC and the Evolving Role
- Cross Training as a Telemetry Monitor Tech
- Putting a Feather in Your H-Caps—The HUCs Important Role in Improving HCAHPS Scores
- Pharmacy: Yesterday, Today, and Tomorrow
- Computerized Provider Order Entry: The Impact on the Role of the Health Unit Coordinator
- Hello: It's Me—Transition Calls, Technology, and the Health Continuum

NAHUC will provide session participants with transcripts by e-mail. The session participants will submit the NAHUC transcript to the AAMA so that the AAMA CEU credit can be entered on each individual's AAMA CEU transcript.

AAMA Annual Conference

The following sessions are related to the NAHUC Certification Exam Content Outline and have been approved for 2.0 contact hours to be used towards NAHUC recertification.

- Creating a Superior Integrated Delivery System through Culture and People
- Valuing Cultural and Religious Diversity
- Using and Incorporating Resources and Technology in the Classroom
- Techniques of Phlebotomy
- Quality Improvements and Patient Experience—The Foundation of PCMH
- Chronic and Congenital GI Conditions
- Games in the Classroom

- Dealing with the Drug-Seeking Patient
- Cyber Security: Why Health Care Is a Target and What You Need To Do
- TAVR—Transcatheter Aortic Valve Replacement
- Compounding Pharmacy
- There Isn't an I in Team
- Pseudobulbar Affect
- COPD: Not Just an Acronym

Session participants will submit the on-site session checklist to the AAMA to enter their CEU credit on their AAMA transcripts. The session participants will submit those transcripts to NAHUC as documentation of the AAMA CEU credit.
