Illinois Medical Practice Act

(225 ILCS 60/54.2)
(Section scheduled to be repealed on January 1, 2027)
Sec. 54.2. Physician delegation of authority.
(a) Nothing in this Act shall be construed to limit the delegation of patient care tasks or duties by a physician, to a licensed practical nurse, a registered professional nurse, or other licensed person practicing within the scope of his or her individual licensing Act. Delegation by a physician licensed to practice medicine in all its branches to physician assistants or advanced practice registered nurses is also addressed in Section 54.5 of this Act. No physician may delegate any patient care task or duty that is statutorily or by rule mandated to be performed by a physician.

(b) In an office or practice setting and within a physician-patient relationship, a physician may delegate patient care tasks or duties to an unlicensed person who possesses appropriate training and experience provided a health care professional, who is practicing within the scope of such licensed professional's individual licensing Act, is on site to provide assistance.

(c) Any such patient care task or duty delegated to a licensed or unlicensed person must be within the scope of practice, education, training, or experience of the delegating physician and within the context of a physician-patient relationship.

(d) Nothing in this Section shall be construed to affect referrals for professional services required by law.

(e) The Department shall have the authority to promulgate rules concerning a physician's delegation, including but not limited to, the use of light emitting devices for patient care or treatment.

(f) Nothing in this Act shall be construed to limit the method of delegation that may be authorized by any means, including, but not limited to, oral, written, electronic, standing orders, protocols, guidelines, or verbal orders.
