## *Comprehensive Coverage That Can Include Your Family*

You'll be covered 24 hours a day, no matter where you are – at work, at home, or traveling – up to age 70, as long as you remain a member of the association, the premiums are paid when due, and the group policy remains in force. The family plan lets you insure yourself, your spouse (if under age 70) and your unmarried dependent children (under 19, or under 23 if a full-time student).

You're eligible if you are a member in good standing with the American Association of Medical Assistants and are under age 70. You can apply for this coverage in minutes – just complete and return the application along with a check for your first premium payment (monthly or semi-annual), made payable to the plan administrator, Forrest T. Jones & Company, Inc.. A certificate will be mailed to you. It's that simple.

You may not think you need Accidental Death & Dismemberment Insurance, but consider that accidents are the leading cause of death for American up to age 44, and the fifth leading cause of death among people of all ages. In addition, a disabling injury occurs every second in this country, and every four minutes, an accident claims another American Life. (National Safety Council's 2015 Injury Facts®)

## *30 Day Free Look*

When you receive your Certificate of Insurance, read it carefully.

If you are not completely satisfied with the terms of your new insurance, simply return your Certificate, without claim, within 30 days and your premium will be promptly refunded. Your insurance will then be invalidated.

# Your Guide to Accidental Death & Dismemberment Insurance

## A group plan designed specifically for members of the American Association of Medical Assistants

### BENEFIT PAYMENTS

When injuries caused by a covered accident result in death or dismemberment within 365 days of an accident and the insurance company receives the required proof, this plan will pay the full benefit amount for loss of life, loss of two limbs, loss of sight of both eyes, loss of one limb and the sight of one eye, loss of speech and hearing, or loss of movement of both upper and lower limbs (quadriplegia). Three-quarters of the benefit amount will be paid for loss of movement of both lower limbs (paraplegia). One-half the benefit amount will be paid for loss of movement of both upper and lower limbs on one side of the body (hemiplegia), loss of one limb, loss of sight of one eye, or loss of speech or hearing. One-quarter of the benefit amount will be paid for loss of thumb and index finger of one hand.

### EFFECTIVE DATE OF COVERAGE

All coverage issued will be effective on the 1st of the month following receipt of the application and the first premium payment.

### RENEWABILITY

Once insurance protection is in place, coverage is renewable to age 70 as long as you remain a member of the association, the premiums are paid when due, and the Group Policy remains in force. Coverage for your spouse and dependent children will end when your insurance ends. Spouse coverage will end the date the spouse attains age 70 or the marriage ends by divorce or annulment. Dependent children coverage ends the date they are no longer eligible.
