In this notice, references to “you” and “your” include any person proposed for insurance. Information regarding insurability will be treated as confidential. In considering whether the person(s) in your request for insurance qualify for insurance, we will rely on the medical information you provide, and on the information you AUTHORIZE us to obtain from your physician, other medical practitioners and facilities, other insurance companies to which you have applied for insurance and MIB, Inc. (“MIB”). MIB is a not-for-profit organization of insurance companies, which operates an information exchange on behalf of its members. If you apply for life or health insurance coverage or a claim for benefits is submitted to an MIB member company, medical or non-medical information may be given to MIB and such information may then be furnished by MIB, upon request, to a member company.

Your AUTHORIZATION may be used for a period of 24 months from the date you signed the application for insurance, unless sooner revoked. The AUTHORIZATION may be revoked at any time by notifying New York Life in writing at the address provided. Your revocation will not be effective to the extent New York Life or any other person already has disclosed or collected information or taken other action in reliance on it, or to the extent that New York Life has a legal right to contest a claim under an insurance certificate or the certificate itself. The information New York Life obtains through your AUTHORIZATION may become subject to further disclosure. For example, New York Life may be required to provide it to insurance, regulatory or other government agencies. In this case, the information may no longer be protected by the rules governing your AUTHORIZATION.

The information provided may include information that may predate the time frame stated on the medical questions section, if any, on this application. This information may be used during the underwriting and claims processes, where permitted by law.

New York Life may release this information to the Plan Administrator, other insurance companies to which you may apply for insurance, or to which a claim for benefits may be submitted and to others whom you authorize in writing. However, this will not be done in connection with test results concerning Acquired Immune Deficiency Syndrome (AIDS) or Human Immunodeficiency Virus (HIV). We may also make a brief report of your protected health information to MIB, but we will not disclose our underwriting decision.

New York Life will not disclose such information to anyone except those you authorize or where required or permitted by law. Information in our files may be seen by New York Life and Plan Administrator employees, but only on a “need to know” basis in considering your request. Upon receipt of all requested information, we will make a determination as to whether your request for insurance can be approved.

If we cannot provide the coverage you requested, we will tell you why. If you feel our information is inaccurate, you will be given a chance to correct or complete the information in our files. Upon written request to New York Life or MIB, you will be provided with non-medical information. Generally, medical information will be given either directly to the proposed insured or to a medical professional designated by the proposed insured.
