

CMA Today

1 year (6 issues)

only **\$60**

(membership not included)

Being a professional medical assistant is an exciting and important job—a job that requires insight, dedication and knowledge of the most current practices in the field.

CMA Today (Certified Medical Assistant Today) is a valuable tool for keeping up with the rapidly advancing field of medical assisting. *CMA Today*, issued bimonthly, brings education and enriching information right into your home or office. You will find educational program announcements, AAMA news, current medical research reports and other features.

Subscribe to *CMA Today* and make sure you receive the constant flow of information so important to the dedicated and well-informed medical assistant.

Note to physicians. *CMA Today* is valuable to you for many reasons. This magazine keeps your medical assistants informed, familiarizing them with current practices and encouraging better job performance and a smooth-running office. You can also find capsule reports of current medical news and research which cite additional sources for further study.

Subscribe today and join the physicians who already enjoy reading *CMA Today*.
