CEUs are awarded based upon content, depth of article, learning outcomes, and length of time for completion per IACET (International Association for Continuing Education and Training) guidelines and criteria. IACET created the CEU for the purpose of providing a standard unit of measure to quantify continuing adult education. CEU value is awarded based upon the projected contact hours needed to complete the continuing education activity (e.g., 1 CEU equals 1 hour, or 1.5 CEUs equal 1.5 hours). *CMA Today* articles follow this standard for awarding CEU value. The \$10 or \$15 is an administrative fee.

**Mail-in test deadlines are maintained for administrative purposes. Electronic test deadlines on the e-Learning Center will vary. The AAMA reserves the right to remove any course at any time.*
