I Will Survive by Gloria Gaynor

At first I was afraid, I was petrified
Kept thinking I could never live
without you by my side
But then I spent so many nights
thinking how you did me wrong
And I grew strong
And I learned how to get along
And so you're back
From outer space
I just walked in to find you here with
that sad look upon your face
I should have changed that stupid
lock, I should have made you leave
your key
If I'd known for just one second you'd
be back to bother me
Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt
me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love, I
know I'll stay alive
I've got all my life to live
And I've got all my love to give and
I'll survive
I will survive, hey, hey

It took all the strength I had not to
to fall apart
Kept trying hard to mend the pieces
of my broken heart
And I spent oh-so many nights just
feeling sorry for myself
I used to cry
But now I hold my head up high and
you see me

Somebody new
I'm not that chained-up little person
and still in love with you
And so you felt like dropping in and
just expect me to be free
Well, now I'm saving all my lovin' for
someone who's loving me
Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to
break me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh go on now, go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to
break me with goodbye
Do you think I'd crumble
Did you think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love, I
know I'll stay alive
I've got all my life to live
And I've got all my love to give and
I'll survive
I will survive. I will survive.
Don’t Stop Believin’ Lyrics

Just a small town girl
Livin' in a lonely world
She took the midnight train goin' anywhere
    Just a city boy
Born and raised in south Detroit
He took the midnight train goin' anywhere
    A singer in a smoky room
A smell of wine and cheap perfume
For a smile they can share the night
    It goes on and on, and on, and on, and on

[Chorus]
    Strangers waiting
Up and down the boulevard
Their shadows searching in the night
    Streetlights, people
Living just to find emotion
Hiding somewhere in the night
Working hard to get my fill
    Everybody wants a thrill
Payin' anything to roll the dice
Just one more time
Some will win, some will lose
Some were born to sing the blues
    Oh, the movie never ends
It goes on and on, and on, and on, and on
[Chorus]
Don't stop believin'
Hold on to the feelin'
Streetlights, people
Don't stop believin'
Hold on
Streetlights, people
Don't stop believin'
Hold on to the feelin'
Streetlights, people
What A Wonderful World

VERSE 1
I see trees of green, red roses too
I see them bloom, for me and you
And I think to myself, what a wonderful world.

VERSE 2
I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself, what a wonderful world.

BRIDGE

(2 & 3: ooh’s)

1: The colours of the rainbow, so pretty in the sky
1: Are also on the faces of people of people going by
All: I see friends shaking hands, saying “How do you do?”
They’re really saying “I love you.”

VERSE 3
I hear babies cry, I watch them grow
They’ll learn much more than I’ll ever know
And I think to myself, what a wonderful world.
Yes, I think to myself, what a wonderful world.
Hound Dog – Elvis Presley

You ain't nothin' but a hound dog
Cryin' all the time
You ain't nothin' but a hound dog
Cryin' all the time
Well, you ain't never caught a rabbit and you ain't no friend of mine

Well they said you was high-classed
Well, that was just a lie
Yeah they said you was high-classed
Well, that was just a lie
Well, you ain't never caught a rabbit and you ain't no friend of mine

Response: And your ma is good-looking.

Call: So, hush, little baby.
Response: Don't you cry.

Call: One of these mornings.
Response: You're gonna rise up singing.

Call: Then, you'll spread your wings.
Response: And you'll take to the sky.

Call: But 'til that morning.
Response: There's a-nothing can harm you.

Call: With daddy and mammy.
Response: Standing by.
"Million Reasons"

You're giving me a million reasons to let you go
You're giving me a million reasons to quit the show
You're givin' me a million reasons
Give me a million reasons
Givin' me a million reasons
About a million reasons

If I had a highway, I would run for the hills
If you could find a dry way, I'd forever be still
But you're giving me a million reasons
Give me a million reasons
Givin' me a million reasons
About a million reasons

I bow down to pray
I try to make the worst seem better
Lord, show me the way
To cut through all his worn out leather
I've got a hundred million reasons to walk away
But baby, I just need one good one to stay

Head stuck in a cycle, I look off and I stare
It's like that I've stopped breathing, but completely aware
'Cause you're giving me a million reasons
Give me a million reasons
Givin' me a million reasons
About a million reasons

And if you say something that you might even mean

Circle 2 words or phrases that stand out to you.

What does the line “If I had a highway, I would run for the hills” mean?

What is the overall message you take away from this song?
It's hard to even fathom which parts I should believe 
'Cause you're giving me a million reasons 
Give me a million reasons 
Givin' me a million reasons 
About a million reasons 

I bow down to pray 
I try to make the worst seem better 
Lord, show me the way 
To cut through all his worn out leather 
I've got a hundred million reasons to walk away 
But baby, I just need one good one to stay 

Hey, ehh, ehh, eyy 
Baby I'm bleedin', bleedin' 
Stay, ehh, ehhy 
Can't you give me what I'm needin', needin' 
Every heartbreak makes it hard to keep the faith 
But baby, I just need one good one 
Good one, good one, good one, good one, good one 

When I bow down to pray 
I try to make the worst seem better 
Lord, show me the way 
To cut through all his worn out leather 
I've got a hundred million reasons to walk away 
But baby, I just need one good one, good one 
Tell me that you'll be the good one, good one 
Baby, I just need one good one to stay
"Three Little Birds"

"Don't worry about a thing
'Cause every little thing is gonna be alright"
Singing, "Don't worry about a thing
'Cause every little thing is gonna be alright!"

Rise up this morning, smiled with the rising sun
Three little birds pitch by my doorstep
Singing sweet songs of melodies pure and true
Saying, "This is my message to you-ou-ou"
Like a small boat on the ocean
Sending big waves into motion
Like how a single word
Can make a heart open
I might only have one match
But I can make an explosion

And all those things I didn't say
Wrecking balls inside my brain
I will scream them loud tonight
Can you hear my voice this time?

This is my fight song
Take back my life song
Prove I'm alright song
My power's turned on
Starting right now I'll be strong
I'll play my fight song
And I don't really care
If nobody else believes
'Cause I've still got
A lot of fight left in me

Losing friends and I'm chasing sleep
Everybody's worried about me
In too deep, they say I'm in too deep
And it's been two years
I miss my home
But there's a fire burning in my bones
Still believe, yeah, I still believe

And all those things I didn't say
Wrecking balls inside my brain
I will scream them loud tonight
Can you hear my voice this time?

This is my fight song
Take back my life song
Prove I'm alright song
My power's turned on
Starting right now I'll be strong
I'll play my fight song
And I don't really care
If nobody else believes
'Cause I've still got
A lot of fight left in me
A lot of fight left in me

Like a small boat on the ocean
Sending big waves into motion
Like how a single word
Can make a heart open
I might only have one match
But I can make an explosion

This is my fight song
Take back my life song
Prove I'm alright song
My power's turned on
Starting right now I'll be strong
I'll play my fight song
And I don't really care
If nobody else believes
'Cause I've still got
A lot of fight left in me
Now I've still got a lot of fight left in me
"Titanium" 
*(feat. Sia)*

You shout it out, but I can't hear a word you say
I'm talking loud, not saying much
I'm criticized, but all your bullets ricochet
Shoot me down, but I get up

I'm bulletproof, nothing to lose
Fire away, fire away
Ricochet, you take your aim
Fire away, fire away

You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium

Cut me down, but it's you who'll have further to fall
Ghost town and haunted love
Raise your voice, sticks and stones may break my bones
I'm talking loud, not saying much
I'm bulletproof, nothing to lose
Fire away, fire away
Ricochet, you take your aim
Fire away, fire away

You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium
I am titanium
I am titanium
I am titanium

Stone hard, machine gun
Firing at the ones who run
Stone hard, as bulletproof glass

You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium
You shoot me down, but I won't fall
I am titanium
I am titanium
"Hallelujah"  
(originally by Leonard Cohen)

Well, I heard there was a secret chord  
That David played and it pleased the Lord  
But you don't really care for music, do you?  
Well it goes like this:  
The fourth, the fifth, the minor fall and the major lift  
The baffled king composing Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

Well your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew ya  
She tied you to her kitchen chair  
She broke your throne and she cut your hair  
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

Well, baby, I've been here before  
I've seen this room and I've walked this floor (you know)  
I used to live alone before I knew ya
And I've seen your flag on the marble arch
And love is not a victory march
It's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

Well, there was a time when you let me know
What's really going on below
But now you never show that to me, do ya?
But remember when I moved in you
And the holy dove was moving too
And every breath we drew was Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

Maybe there's a God above
But all I've ever learned from love
Was how to shoot somebody who outdrew ya
And it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

Hallelujah, hallelujah, hallelujah, hallelujah...
Hallelujah, hallelujah, hallelujah, hallelujah...
"Chandelier"

Party girls don't get hurt  
Can't feel anything, when will I learn  
I push it down, push it down  

I'm the one "for a good time call"  
Phone's blowin' up, ringin' my doorbell  
I feel the love, feel the love  

1, 2, 3, 1, 2, 3 drink  
1, 2, 3, 1, 2, 3 drink  
1, 2, 3, 1, 2, 3 drink  

Throw 'em back, till I lose count  

I'm gonna swing from the chandelier  
From the chandelier  
I'm gonna live like tomorrow doesn't exist  
Like it doesn't exist  
I'm gonna fly like a bird through the night  
Feel my tears as they dry  
I'm gonna swing from the chandelier  
From the chandelier
But I'm holding on for dear life
Won't look down, won't open my eyes
Keep my glass full until morning light
'Cause I'm just holding on for tonight
Help me, I'm holding on for dear life
Won't look down, won't open my eyes
Keep my glass full until morning light
'Cause I'm just holding on for tonight
On for tonight

Sun is up, I'm a mess
Gotta get out now, gotta run from this
Here comes the shame, here comes the shame

1, 2, 3, 1, 2, 3 drink
1, 2, 3, 1, 2, 3 drink
1, 2, 3, 1, 2, 3 drink

Throw 'em back till I lose count

I'm gonna swing from the chandelier
From the chandelier
I'm gonna live like tomorrow doesn't exist
Like it doesn't exist
I'm gonna fly like a bird through the night
Feel my tears as they dry
I'm gonna swing from the chandelier
From the chandelier

But I'm holding on for dear life
Won't look down, won't open my eyes
Keep my glass full until morning light
'Cause I'm just holding on for tonight
Help me, I'm holding on for dear life
Won't look down, won't open my eyes
Keep my glass full until morning light
'Cause I'm just holding on for tonight
On for tonight

On for tonight
'Cause I'm just holding on for tonight
Oh, I'm just holding on for tonight
On for tonight, on for tonight
'Cause I'm just holding on for tonight
'Cause I'm just holding on for tonight
Oh, I'm just holding on for tonight
On for tonight, on for tonight
A Whole New World

I can show you the world.
Shining shimmering splendid.
Tell me princess now when did you last let your heart decide.
I can open your eyes.
Take you wonder by wonder.
Over sideways and under on a magic carpet ride.

A whole new world.
A new fantastic point of view.
No one to tell us no or where to go or say we're only dreaming.
A whole new world.
A dazzling place I never knew.
But now from way up here it's crystal clear that now I'm in a whole new world with you.

Unbelievable sights.
Indescribable feeling.
Soaring, tumbling, free-wheeling.
Through an endless diamond sky.

A whole new world.
A new fantastic point of view.
No one to tell us no or where to go or say we're only dreaming.
A whole new world.
A dazzling place I never knew.
But now from way up here it's crystal clear that now I'm in a whole new world with you.

Edelweiss

Edelweiss, edelweiss
Every morning you greet me

Small and white
Clean and bright
You look happy to meet me

Blossom of snow
May you bloom and grow
Bloom and grow forever

Edelweiss, edelweiss
Bless my home-land forever
Somewhere Over The Rainbow

Somewhere over the rainbow, way up high,
There's a land that I heard of once in a lullaby.
Somewhere over the rainbow, skies are blue,
And the dreams that you dare to dream really do come true.

Someday I'll wish upon a star and wake up where the clouds are far behind me.
Where troubles melt like lemon drops away above the chimney tops,
That's where you'll find me.

Somewhere over the rainbow, bluebirds fly.
Birds fly over the rainbow; why, then, oh why can't I?
Someday I'll wish upon a star and wake up where the clouds are far behind me.
Where troubles melt like lemon drops away above the chimney tops,
That's where you'll find me.

Somewhere over the rainbow, bluebirds fly.
Birds fly over the rainbow; why, then, oh why can't I?

If happy little bluebirds fly beyond the rainbow,
Why, oh why can't I?
"Fly Me To The Moon (In Other Words)"

Fly me to the moon
Let me play among the stars
Let me see what spring is like
On a-Jupiter and Mars

In other words: hold my hand
In other words: baby, kiss me

Fill my heart with song
And let me sing for ever more
You are all I long for
All I worship and adore

In other words: please, be true
In other words: I love you

Fill my heart with song
Let me sing for ever more
You are all I long for
All I worship and adore

In other words: please, be true
In other words: please, be true
In other words: I love you
Rock Around The Clock

One, two, three o'clock, four o'clock, rock
Five, six, seven o'clock, eight o'clock, rock
Nine, ten, eleven o'clock, twelve o'clock, rock
We're gonna rock around the clock tonight

Put your glad rags on and join me, hon'
We'll have some fun when the clock strikes one
We're gonna rock around the clock tonight
We're gonna rock, rock, rock, 'til broad daylight
We're gonna rock, gonna rock, around the clock tonight

When the clock strikes two, three and four
If the band slows down we'll yell for more
We're gonna rock around the clock tonight
We're gonna rock, rock, rock, 'til broad daylight
We're gonna rock, gonna rock, around the clock tonight
When the chimes ring five, six and seven
We'll be right in seventh heaven
We're gonna rock around the clock tonight
We're gonna rock, rock, rock, 'til broad daylight
We're gonna rock, gonna rock, around the clock tonight

When it's eight, nine, ten, eleven too
I'll be goin' strong and so will you
We're gonna rock around the clock tonight
We're gonna rock, rock, rock, 'til broad daylight
We're gonna rock, gonna rock, around the clock tonight

When the clock strikes twelve, we'll cool off then
Start a rockin' round the clock again
We're gonna rock around the clock tonight
We're gonna rock, rock, rock, 'til broad daylight
We're gonna rock, gonna rock, around the clock tonight
Thank You For Being A Friend

Thank you for being a friend
Traveled down a road and back again
Your heart is true, you're a pal and a confidant
I'm not ashamed to say
I hope it always will stay this way
My hat is off, won't you stand up and take a bow

And if you threw a party
Invited everyone you knew
Well, you would see the biggest gift would be from me
And the card attached would say

Thank you for being a friend
Thank you for being a friend
Thank you for being a friend
Thank you for being a friend

If it's a car you lack
I'd surely buy you a Cadillac
Whatever you need, any time of the day or night
I'm not ashamed to say
I hope it always will stay this way
My hat is off, won't you stand up and take a bow

And when we both get older
With walking canes and hair of gray
Have no fear, even though it's hard to hear
I will stand real close and say
Thank you for being a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)
Let me tell you 'bout a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)

And when we die and float away
Into the night, the Milky Way
You'll hear me call as we ascend
I'll see you there, then once again
Thank you for being a

Thank you for being a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)
Thank you for being a friend

People, let me tell you 'bout a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)
Thank you for being a friend (I wanna thank you)
Thank you for being a friend

Whoa, tell you 'bout a friend (let me thank you right now for being a friend)
Thank you for being a friend (I wanna tell you 'bout a pal and I'll tell you again)
Thank you for being a friend (I wanna thank you, thank you)
Thank you for being a friend
