Title index	Issue	Page
Alcohol screening and brief intervention: Inhibit risky alcohol use (CE); Hartje J, Roget N, Prokosch K	5	12
Better by design: Think outside the accessible parking spot (PMgr); Schumacher PM	6	30
Caregiving her all: Medical assistant balances at-home and on-the-job patient care (SL); Cassata C	1	30
Classy behavior: Five tips for preventing and managing classroom incivility (EdF); Nykiel T	2	28
Coming together (PM); Houston DB	3	2
Continuing education requirements for medical assistant-certified credential in WA: The AAMA and WSSMA submit comments supporting the proposed bill (PA); Balasa DA	3	6
Crusader for colorectal cancer screenings: Medical assistant supports efforts to improve screening rates (SL); Cassata C	2	30
Doctor’s orders: Support the switch to electronic prescribing (PMgr); Nykiel T	1	26
Don’t sweat it: Hydration goes beyond water (QC); Taylor KS	5	8
Exit stage left: Spot and stop workplace drama (PMgr); Justice B	3	26
Fair and square: Share educational materials within your copy rights (EdF); Fargo J	1	28
Finding the way: Navigate the finer points of medical ethics (CE); Harris M	2	12
Get the green light: Informed consent puts patients in the driver’s seat (CE); Harris M	4	8
In the know: Upgrade your grasp on artificial intelligence in the medical practice (PMgr); Justice B	2	26
Learning on the job: Online staff training offers many benefits (PMgr); Harris M	5	26
Medical assistants answer the call to work in acute care settings: What is their scope of practice? (PA); Balasa DA	4	6
Medical assistants’ competence in performing diagnostic tests: Comments to the CMS (PA); Balasa DA	5	6
Medical assistants’ role in remote physiologic monitoring services (PA); Balasa DA	2	6
Microorganisms, many questions: The pros, cons, and unknowns of probiotics (CE); Harris M	1	12
Mind your manners: Put questions about bedside manner to rest (PMgr); Schumacher PM	4	32
No more tears: Spot solutions for dry eye disease (QC); Taylor KS	4	28
NP delegation in South Carolina: State law permits nurse practitioner delegation to medical assistants (PA); Balasa DA	1	6
On the move: Medical assistant’s journey takes her to new roles (SL); Cassata C	5	30
Open our doors: There is strength in numbers (PM); Houston DB	1	2
Outrageous health hazards: Mismanaged anger upsets well-being (QC); Taylor KS	1	8
Put to the test: CMA (AAMA) [®] answers call to serve during COVID-19 crisis (SL); Cassata C	3	30
Rest easy: Learn insomnia solutions patients can count on (CE); Harris M	3	12
Spring planning for conference (PM); Houston DB	2	2
Star power: Rewards of teaching are out of this world (EdF); Justice B	6	32
Stop the spread: Patient isolation reduces transmission risks (QC); Taylor KS	6	8
Support screening, save lives: Medical assistants shine in national effort to save lives from colorectal cancer (MARWeek); Bell EB	5	22
The claim game: Overcoming health insurance reimbursement denials (CE); Harris M	6	12

The future is wearable: Health care is increasingly in patients' hands (QC); Taylor KS	3	8
The social network: Educators use web-based tools to connect (EdF); Nykiel T	3	28
Train your brain: Exercise skills with professional development (EdF); Piette KL	4	36
Tried and tested: Help students ace exams (EdF); Schumacher PM	5	28
Turning the tide: Reverse the pull of substance use disorder (QC); Taylor KS	2	8
Warrior for weight management: Medical assistant champions healthier lifestyles (SL); Cassata C	6	34
Watch and learn: Educator scores CMA (AAMA) credit opportunity (SL); Cassata C	4	38
We are family (PM); Houston DB	5	2
What tasks are delegable to—and performable by—medical assistants? Part I (PA); Balasa DA	6	6
You can do it! (PM); Houston DB	4	2

Balasa DA

Continuing education requirements for medical assistant-certified credential in WA: The AAMA and WSSMA submit comments supporting the proposed bill (PA)	3	6
Medical assistants answer the call to work in acute care settings: What is their scope of practice? (PA)	4	6
Medical assistants' competence in performing diagnostic tests: Comments to the CMS (PA)	5	6
Medical assistants' role in remote physiologic monitoring services (PA)	2	6
NP delegation in South Carolina: State law permits nurse practitioner delegation to medical assistants (PA)	1	6
What tasks are delegable to—and performable by—medical assistants? Part I (PA)	6	6

Bell EB

Support screening, save lives: Medical assistants shine in national effort to save lives from colorectal cancer (MARWeek)	5	22
---------------------------------------------------------------------------------------------------------------------------	---	----

Cassata C

Caregiving her all: Medical assistant balances at-home and on-the-job patient care (SL)	1	30
Crusader for colorectal cancer screenings: Medical assistant supports efforts to improve screening rates (SL)	2	30
On the move: Medical assistant's journey takes her to new roles (SL)	5	30
Put to the test: CMA (AAMA) [®] answers call to serve during COVID-19 crisis (SL)	3	30
Warrior for weight management: Medical assistant champions healthier lifestyles (SL)	6	34
Watch and learn: Educator scores CMA (AAMA) credit opportunity (SL)	4	38

Fargo J

Fair and square: Share educational materials within your copy rights (EdF)	1	28
----------------------------------------------------------------------------	---	----

Harris M

Finding the way: Navigate the finer points of medical ethics (CE)	2	12
Get the green light: Informed consent puts patients in the driver's seat (CE)	4	8
Learning on the job: Online staff training offers many benefits (PMgr)	5	26
Microorganisms, many questions: The pros, cons, and unknowns of probiotics (CE)	1	12
Rest easy: Learn insomnia solutions patients can count on (CE)	3	12
The claim game: Overcoming health insurance reimbursement denials (CE)	6	12

Hartje J

Alcohol screening and brief intervention: Inhibit risky alcohol use (CE)	5	12
--------------------------------------------------------------------------	---	----

Houston DB

Coming together (PM)	3	2
Open our doors: There is strength in numbers (PM)	1	2
Spring planning for conference (PM)	2	2
We are family (PM)	5	2
You can do it! (PM)	4	2

Justice B

Exit stage left: Spot and stop workplace drama (PMgr)	3	26
In the know: Upgrade your grasp on artificial intelligence in the medical practice (PMgr)	2	26
Star power: Rewards of teaching are out of this world (EdF)	6	32

Nykiel T

Classy behavior: Five tips for preventing and managing classroom incivility (EdF)	2	28
Doctor's orders: Support the switch to electronic prescribing (PMgr)	1	26
The social network: Educators use web-based tools to connect (EdF)	3	28

Piette KL

Train your brain: Exercise skills with professional development (EdF)	4	36
-----------------------------------------------------------------------	---	----

Prokosch K

Alcohol screening and brief intervention: Inhibit risky alcohol use (CE)	5	12
--------------------------------------------------------------------------	---	----

Roget N

Alcohol screening and brief intervention: Inhibit risky alcohol use (CE)	5	12
--------------------------------------------------------------------------	---	----

Schumacher PM

Better by design: Think outside the accessible parking spot (PMgr)	6	30
Mind your manners: Put questions about bedside manner to rest (PMgr)	4	32
Tried and tested: Help students ace exams (EdF)	5	28

Taylor KS

Don't sweat it: Hydration goes beyond water (QC)	5	8
No more tears: Spot solutions for dry eye disease (QC)	4	28
Outrageous health hazards: Mismanaged anger upsets well-being (QC)	1	8
Stop the spread: Patient isolation reduces transmission risks (QC)	6	8
The future is wearable: Health care is increasingly in patients' hands (QC)	3	8
Turning the tide: Reverse the pull of substance use disorder (QC)	2	8
